Board of Trustees Agenda Work-Session

Village Hall Conference Room, 222 Grace Church St., Port Chester, NY

Agenda: Wednesday, July 2, 2025

Time: 6:00 PM

Village Hall Conference Room, 222 Grace Church St., Port Chester, NY

I. CALL TO ORDER / PLEDGE OF ALLEGIANCE

II. DISCUSSIONS

1. Traffic Sergeant, Arthur Dusenbury re: vehicle speed control for Olivia Street
This is a one-way street with a steep uphill blind curve that cars regularly speed on. For the safety of Kennedy School families/staff as well as area residents, there is a need for physical speed deterrents and additional PD enforcement
Requested by: Trustee Dundon
2. Indian Road and Glen Avenue – Update from AKRF
 - West Glen/Indian Concept proposal - responding to BOT comments
 - West Glen/Indian Design - includes both the intersection redesign and the restriping on Indian out to King StreetRequested by: Village Manager Stuart L. Rabin
3. Regarding conceptual design for the installation of a guardrail in front of 102 Indian Road
Requested by: Village Manager Stuart L. Rabin
4. King/Regent/Putnam - design on the new signal and striping, but FYI this cost doesn't account for coordination needed with utility companies since many of the overhead wires would need to be moved. While I appreciate having the eastbound approach restriped it is not a small lift (from new signal, new equipment, utility relocation, possible curb adjustments for lane alignments, etc)
Requested by: Village Manager Stuart L. Rabin

III. PROPOSED EXECUTIVE/CLOSED SESSION

1. Regarding possible litigation

This dates back to 1954 and to my knowledge is not currently enforced by the PD. In light of the numerous e-bike related violations recently, it may be time to update and revise this code: <https://ecode360.com/10908283>
